

RECYCLING

TO PROTECT THE ENVIRONMENT

Welcome to Granger Container's Curbside Recycling Program! Please use the following guidelines when preparing materials for recycling. Materials collected for recycling are used to make new products...this is why it is important to **include only the items listed and keep them clean.**

PAPER

NEWSPAPER (including inserts)

- ◆ (ex. *LSJ, Grand Rapids Press Community Newspapers, ETC.*)

Place in brown paper grocery bags or stack neatly together in brown Granger recycling container. *String or twine NOT required.*

GLOSSY MAGAZINES & CATALOGS

- ◆ (ex. *Time, People, JCPenny, Lands End*)

Place in brown paper grocery bag or stack neatly together in brown Granger recycling container. *String or twine NOT required*

UNWANTED JUNK MAIL

- ◆ (ex. *direct "junk" mail, first class mail, writing papers*)

Place in brown paper grocery bags. **NO:** carbon paper, tissue, napkins, food packaging, boxboard, phone books, hard cover books, paperbacks, gift wrap, newspaper, or magazines.

Please place your recycling container at the curb before 7:00 A.M. on your scheduled collection day.

To avoid theft of the container and/or possible contamination of items due to weather, we ask that you place your container out the morning of your collection day instead of leaving the container out overnight.

NOTE: Any items left in your recycling bin after service should be discarded with your regular trash, as they are not compatible with our recycling collection service.

GLASS

FOOD & BEVERAGE GLASS

- ◆ (brown and clear)
- Rinse clean and remove lids. Place lids with tin cans. **NO:** light bulbs, window glass, pyrex, drinking glasses or plates, or broken glass.

METAL

TIN CANS & ALUMINUM

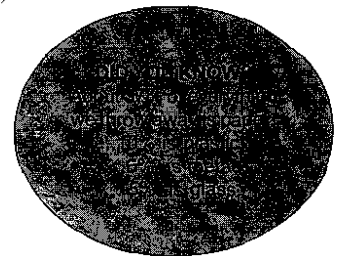

- ◆ (ex. *soup cans, aluminum foil & trays*)
- Rinse clean and flatten. **NO:** paint cans, appliances, hangers, or aerosol cans.

PLASTICS

#2 PLASTIC BOTTLES & JUGS

- ◆ (ex. *milk jugs, shampoo & laundry detergent bottles*)
- Remove and discard lids, rinse clean and flatten. Containers must have a seam on the bottom and the HDPE symbol on bottom. Bottles & jugs with narrow, threaded neck only. **NO:** motor oil bottles, styrofoam, clear #1, #3, or #6 plastic, HDPE #2 plastic tubs (cottage cheese, sour cream, or margarine).
